CORAM : DR.D.Y.CHANDRACHUD, J.

28th March, 2005.

P.C. :

A revision lies against the recovery certificate that have been issued under Section 101 of the Maharashtra Co-operative Societies Act, 1960, under the provisions of Section 154. These Petitions, therefore, cannot be entertained at the present stage. However, counsel appearing on behalf of the Second Respondent states that till the period of limitation for filing the revision expires, no coercive steps will be taken against the Petitioners. Counsel appearing on behalf of the Second Respondent further states that the co-operative society will furnish inspection of all the documents which are in the possession of the co-operative society to the Petitioners or to a duly authorized representative on their behalf including an advocate.

All the Petitions are accordingly

disposed of leaving it open to the Petitioners to espouse the remedy of a revision under Section 154 of the Act.
